

**CONCERT HALL
THURSDAY 11 NOVEMBER 2010**

MAIN SCIENTIFIC PROGRAMME

President's welcome

Immediate sequential bilateral Cataract Surgery

Chair: Charles Claué

9.00-9.05	Introduction	Charles Claué
9.05-9.25	My Practice	Richard Packard
9.25-9.50	Guideline Standards from International Society of Bilateral Cataract Surgery	Steve Arshinoff
9.50-10.00	Never!	David Smerdon
10.00-10.10	Sometimes	Christopher Liu
10.10-10.20	Always!	Charles Claué
10.20-10.30	Discussion	
10.30-11.00	COFFEE	

2 minutes silence @ 11am

MAIN SCIENTIFIC PROGRAMME

Astigmatism correction in cataract surgery

Chairs: Paul Rosen and Fiona Cuthbertson

11.00-11.15	Introduction, Epidemiology and Measurement of Astigmatism	Sathish Srinivasan
11.15-11.35	Corneal Solutions	Rajesh Aggarwal
11.35-11.50	Lenticular Solutions	Jon Luck
11.50-12.10	Challenging or unusual situations	Paul Rosen
12.10-12.30	Discussion	

12.30-1.30 LUNCH

1.30-2.30	Rayner Medal Lecture The Greatest Challenge in Cataract Surgery (Needed: a 5 minute, \$15 cure for blindness)	David Chang
-----------	---	-------------

MAIN SCIENTIFIC PROGRAMME

Drugs during phaco surgery

Chairs: Christopher Liu and Vinod Kumar

2.30-2.45	Intracameral pharmaceuticals	Lucy Titcomb
2.45-3.00	Alpha antagonists and agonists during cataract surgery	David Chang
3.00-3.15	Intracameral vs subconjunctival antibiotic	Steve Arshinoff
3.15-3.23	Triamcinolone	Brian Little
3.23-3.30	Capsular stains /dyes	Som Prasad
3.30-3.45	Discussion	

3.45-4.15 TEA

GLAUCOMA DAY PROGRAMME

4.15-5.00	Glaucoma Guest Lecture 60,000 ways to treat glaucoma	Peter Wishart
-----------	---	---------------

5.00-5.25	Nice Guidelines: Explaining the Guidelines	John Sparrow
5.25-5.45	Consequences of the Nice Guidelines	Stephen Vernon
5.45-6.00	Discussion	

**FOUNDERS ROOM
THURSDAY 11 NOVEMBER 2010**

GLAUCOMA DAY PROGRAMME

President's welcome

Chair: Manijeh Wishart

8.45-8.50	Introduction Glaucoma: Diagnostics	Manijeh Wishart
8.50-9.10	OCT	Stephen Vernon
9.10-9.35	GDX	John Salmon
9.35-10.00	Corneal thickness / hysteresis	Stephen Vernon
10.00-10.25	Fields Progression	Ted Garway-Heath
10.25-10.45	Discussion	

10.45-11.15 COFFEE

2 minutes silence @ 11am

GLAUCOMA DAY PROGRAMME

Chair: Manijeh Wishart

11.15-11.40	New procedures/Lasers: ALT v SLT	David O'Brart
11.40-12.05	Trans-zonular hyaloidectomy for malignant glaucoma	Simon Longstaff
12.05-12.30	Ahmed glaucoma valve for refractory glaucoma	Peter Wishart
12.30-12.45	Q&A	

12.45-1.30 LUNCH

1.30-2.30	Rayner Medal Lecture (Concert Hall) The Greatest Challenge in Cataract Surgery (Needed: a 5 minute, \$15 cure for blindness)	David Chang
-----------	--	-------------

GLAUCOMA DAY PROGRAMME

Chair: Manijeh Wishart

2.30-2.55	Viscocanalostomy in management of primary glaucoma	Manijeh Wishart
2.55-3.20	Viscocanalostomy in management of secondary glaucoma	Anshoo Choudhary
3.20-3.45	Discussion	

3.45-4.15 TEA

YOUNG OPHTHALMOLOGISTS PROGRAMME

Dealing with PC rupture and vitreous loss

Chairs: Alistair Laidlaw and Georgia Cleary

4.15-4.30	Beyond the posterior capsule	Alistair Laidlaw
4.30-4.50	Recognising when disaster strikes	Brian Little
4.50-5.10	Essentials of performing an anterior vitrectomy	Som Prasad
5.10-5.30	Weak Zonules – CTRs, capsule retractors, and IOL fixation	David Chang
5.30-5.50	When to refer to VR	Vaughan Tanner
5.50-6.00	Discussion	

**PAVILION THEATRE
THURSDAY 11 NOVEMBER 2010**

REFRACTIVE SURGERY DAY PROGRAMME - Challenges in the new decade

President's welcome

Refractive Practice Development

Chairs: Rajesh Aggarwal and Rob Morris

8.30-9.00	Premium IOL practice development - A European perspective	Jörg Förster
9.00-9.30	An IOL practice - A surgeon's point of view	Ralph Chu
9.30-10.00	A new model of premium ophthalmology	Tim Clover
10.00-10.30	Discussion	

10.30-11.00 COFFEE

2 minutes silence @ 11am

REFRACTIVE SURGERY DAY PROGRAMME

JCRS Debate

Chairs: Thomas Kohnen and Emanuel Rosen

11.00-11.30	Phakic IOL: Anterior Chamber (Thomas Kohnen) vs Posterior Chamber (Bruce Allan)	
11.30-12.00	Astigmatism management in cataract & RLE Surgery: Toric IOL (Paul Ursell) vs corneal incisions (Martin Leyland)	
12.00-12.30	LVC for hyperopia: narrow limits (Julian Stevens) vs wide limits (Mark Wevill)	

12.30-1.30 LUNCH

1.30-2.30	Rayner Medal Lecture (Concert Hall) The Greatest Challenge in Cataract Surgery (Needed: a 5 minute, \$15 cure for blindness)	David Chang
-----------	--	-------------

REFRACTIVE SURGERY DAY PROGRAMME

Complications

Chairs: Keith Bates and Mark Wevill

2.30-4.00	Analysis of laser energy output - a potential cause of systematic over or undercorrection	David Gartry
	Central Toxic Keratopathy	Bruce Allan
	Flap amputation for late onset keratitis	JP Danjoux
	Complications of accommodating intraocular lenses	Rob Morris
	Malposition of multifocal intraocular lenses	Sheraz Daya
	Complications of Corneal Cross Linking	David O'Brart

4.00-4.30 TEA

REFRACTIVE SURGERY DAY PROGRAMME

What's next? – Innovations for the next decade

Chairs: Jan Venter and Julian Stevens

4.30-4.40	Presbyopia - Has anyone found the cure?	Johnny Moore
4.40-4.50	Acrysof Cachet PIOL	Thomas Kohnen
4.50-5.00	Femtophaco	Julian Stevens
5.00-5.10	Intracor for Presbyopia	Mark Wevill
5.10-5.15	Discussion	
5.15-5.25	Treatment of emmetropic or ametropic presbyopia by corneal aberration modification	Dan Reinstein
5.25-5.35	Revision Corneal Inlay	Julian Stevens
5.35-5.45	Safety and Efficacy of new profiles designed for low-tissue consumption high myopic corneal refractive surgery	Dan Reinstein
5.45-5.55	Oculentis Mplus: A Non-Concentric Multifocal Intraocular Lens	Jan Venter
5.55-6.00	Discussion	

CONCERT HALL
FRIDAY 12 NOVEMBER 2010

MAIN SCIENTIFIC PROGRAMME

Trauma

Chairs: Andy Chung and Nabil Habib

9.00-9.20	Overview, common causes, evaluation, investigations	Brian Little
9.20-9.40	Orbital and lid injury	Vladimir Thaller
9.40-10.00	Anterior segment injury	James Ball
10.00-10.20	Posterior segment injury	Rob Scott
10.20-10.30	Discussion	

10.30-11.00 COFFEE

MAIN SCIENTIFIC PROGRAMME

The subluxated or dislocated lens

Chairs: Som Prasad and David O'Brart

11.00-11.15	The genetics of subluxed lenses	Leema Robert
11.15-11.30	Pseudoexfoliation	Saurabh Goyal
11.30-11.45	Anterior Chamber and Iris clip IOLs	David Spalton
11.45-12.00	Scleral Fixation	Som Prasad
12.00-12.15	How to avoid IOL subluxation - Tips on using a CTR	Brian Little
12.15-12.30	Discussion	

12.30-1.30 LUNCH

1.30-1.45 AGM

1.45-2.30 Lecture in honour of Neil Dallas
New training methods & future of training
Larry Benjamin

VIDEO SYMPOSIUM

Chair: Brian Little, Moderator: David Chang

2.30- 4.30

FOUNDERS ROOM
FRIDAY 12 NOVEMBER 2010

FREE PAPER SESSION

Chair: Paul Ursell, Moderators: Sathish Srinivasan, David Chang

8.30-10.30

10.30-11.00 COFFEE

YOUNG OPHTHALMOLOGISTS PROGRAMME

IOL Basics

Chair: Nathaniel Knox Cartwright

11.00-11.05	Introduction	Nathaniel Knox C.
11.05-11.20	IOL 101: Basics	Emma Hollick
11.20-11.35	Squaring the circle: Optics and Asphericity	Chris Hull
11.35-11.45	The grass is greener?: Blue Blockers	Fiona Cuthbertson
11.45-12.00	So near and yet so far?: Presbyopia	Paul Ursell
12.00-12.15	Top of the Pops: The IOL Charts	Larry Benjamin
12.15-12.30	Discussion	

12.30-12.45 Presentation of Junior Prizes

12.45-1.30 LUNCH

1.30-1.45 AGM (Concert Hall)

1.45-2.30 Lecture in honour of Neil Dallas (Concert Hall)
New training methods & future of training
Larry Benjamin

2.30-4.00	Association of Ophthalmologists Session on Revalidation Rhian Williams, GMC - Views on the process Keith Judkins, Revalidation Support Group - Strengthened Medical Appraisal (SMA) Rob Johnston, RCO - Role of the College & specialist approach to SMA AOO Specialty Indemnity Scheme	
-----------	--	--

PAVILION THEATRE
FRIDAY 12 NOVEMBER 2010

President's welcome

UKISONT PROGRAMME

9.00-9.10 Welcome and opening remarks
Rebecca Turner

Session 1: Glaucoma shared care

Chair: Rebecca Turner

9.10-9.20	Optometry perspective	Gordon Ilett
9.20-9.30	Orthoptic perspective	Safina Rashid
9.30-9.40	Ophthalmic nurse perspective	Jane Kingett
9.40-9.50	Ophthalmology perspective	Michael Griffiths
9.50-10.05	Discussion	
10.05-10.30	NICE guidelines for glaucoma and what they mean	Parul Desai

10.30-11.00 COFFEE

UKISONT PROGRAMME

Session 2: Glaucoma investigation and management

Chair: Lisa Cowan

11.00-11.20	Investigations required for glaucoma diagnosis	Steve Vernon
11.20-11.30	Visual fields in glaucoma	Helen Collett
11.30-11.45	Imaging Modalities	Rahat Husain
11.45-12.00	Discussion	
12.00-12.30	Update on medical and surgical management of glaucoma	Anshoo Choudhary

12.30-1.30 LUNCH

1.30-1.45 AGM (Concert Hall)

1.45-2.30 Lecture in honour of Neil Dallas (Concert Hall)
New training methods & future of training
Larry Benjamin

UKISONT PROGRAMME

Session 3: Treatment updates

Chair: Lorraine North

2.30-3.00	Treatment advances in amblyopia	Merrick Moseley
3.00-3.30	Treatment advances in ARMD	Geeta Menon
3.30-4.00	Treatment advances in IOLs	Paul Ursell
4.00-4.30	Treatment advances in ocular plastics	Ric Caesar
